

True Innovation in Cell Sorting is Here

Drive discovery with VisionSort

MONDAY, JUN 17
12-1 PM ET

NORTHWEST LABS
NW-425

VisionSort

POWERED BY
GHOST CYTOMETRY

Label-free cell sorting

Isolate the cells you need,
untouched by labels

Next-gen drug discovery

Rapid small molecule & CRISPR
phenotypic screening + target ID

Morphological profiling + AI

Make new biological discoveries
